Dear Parent / Guardian:

Cap & Gown photos will be taken on Thursday, Feb. 4, 2016. Every Level 3 student who has the potential to graduate this year will have their graduation photo (cap & gown) taken. The school will use this photo for the class composite that is placed on the wall. Only one picture is taken for school use with the same background.

If parents / guardians wish to purchase proofs with a variety of backgrounds and poses, there is a \$25.00 fee that must be paid to the photographer on that date. This \$25.00 fee will provide you with twelve 4x5 proofs. Students have been provided with a price list for additional purchases once the proofs arrive. If you have any questions, please contact Memories Nfld. Photo at 643-5600. The photographer is Gary Snook.

Sincerely,

Jeffrey Blundon

Principal
